## Description

[vc\_row el\_id="home"][vc\_column]

### Experiential Capital Filled with Promise

It takes more than capital for the best ideas to disrupt the status quo. PennPromise is changing the way Africa's next generation of companies are built by providing an early-startup ecosystem with remarkable support to entrepreneurs.

## **PennPromise Model**

Founders especially in underserved markets need more than just capital to turn passion into products and ideas into companies. Our tried and tested methodology enables us design, build, launch, scale and finance the next generation of world-changing companies in a de-risked environment.

We Ideate, Validate, Co-Create, build new businesses, and help scale up existing early-stage startups. Our team has developed a well-equipped hub and blueprint for innovators and entrepreneurs to build, mentor, and share their stories for common uplift. Constant improvement and collaboration are at our core. That is why whether it's refining your business structure, putting together a business development plan or providing you mentorship for taking your business to new heights, we're here for you.
